About me

- Hello! My name is Sabrina
- I was born and raised in Germany
- I worked in Project Management, but now I am doing my master's degree at Waseda University
- Nice to meet you! 😊

My hobbies

- Spending time in nature 🍀
- Traveling 🧳
- Hiking 🏔️👢
- Being creative 🎨🍪

My hometown – Würzburg (Germany)

- Würzburg is a small city in the middle of Germany – the next big city (Frankfurt) is 1,5 hours away!
- German people love bread, especially the Brezeln 🥨
- Summer in Germany is short and not so hot, so people love to spend their free time outside
- In winter season Christmas Markets are the best thing to experience
